Half a Dozen Lives Gone as Aftermath of Pugilistic Function.

NEW YORK CITY WORST OF ALL

Shots Fired and Razors Flashed  
From Atlantic to Pacific When  
Result of Reno Battle Is  
Made Known.

Rioting broke out like prickly heat all over the country last night between whites, piqued because Jeffries, the Caucasian pugilistic champion, had lost the fight at Reno, Nev., and negroes jubilant that Johnson, the African representative, had won.

The tension that existed everywhere vented itself chiefly in street scuffles. Here and there a knife flashed and pistols were fired with fatal effect, but there were more broken heads and black eyes than serious wounds.

In all there were disturbances in a dozen cities, from New York, Pittsburgh and Philadelphia in the northeast to New Orleans, Atlanta, St. Louis, Little Rock and Houston in the south and southwest. In no case in the big cities did the brawls amount to a serious race riot, the fatalities occurring mostly in the small towns.

There was more rioting in New York city than almost all of the rest of the country combined, but the trouble there was not so serious as in some of the southern cities. Today's summary by telegraph follows:

**Sullivan's Cousin in It.**

MUSKOGEE, Okla., July 5.—H. B. Clement, who claims to be a second cousin of John L. Sullivan, used a knife in attacking two negroes tonight, but was prevented by the police from doing any damage.

**White on the Way to the Police Station**

ST. LOUIS, Mo., July 5.—Rioting in a negro quarter of St. Louis at Market street and Jefferson avenue followed the announcement that Jack Johnson was the victor in the Reno fight.

The police finally clubbed back the negroes, who were blocking traffic and making threats.

**PURBLO, Cal., July 5.—"Mex" Irwin and J. H. Moore, white, were stabbed in the back last night in a riot between whites and negroes in Bessemer City Park. Twenty-five others on both sides were slightly hurt.**

The trouble started over the announcement of the result of the Jeffries and Johnson fight.

Irwin and Moore will recover.

**Smashed Noses in Columbus.**

COLUMBUS, Ohio, July 5.—Rioting, in which noses were made bloody and heads were cracked, marked a parade through the streets organized by white negroes last night, after the result of the Johnson-Jeffries mill had been announced.

The trouble was caused chiefly by drunken whites, who sought to break up the parade of the blacks.

**ST. JOSEPH, Mo., July 5.—S. I. Sawyer, white, who took the part of a negro when the latter was mobbed by a crowd of whites immediately following the Johnson-Jeffries fight. Sawyer was rescued by a policeman.**

**JACKSONVILLE, Fla., July 5.—With the city jail filled with rioters, the saloons all closed and at least a dozen victims in hospital, a race riot that last night followed the announcement that Johnson had won the fight at Reno was controlled early today.**

**Negro Mobbed in Vine Street.**

CINCINNATI, July 5.—Intermittent rioting last night followed the announcement of the result of the Jeffries-Johnson fight.

In Vine street, the leading thoroughfare of the city, hundreds of whites chased a negro, who was alleged to have made offensive remarks. He was allowed to ascend an elevator in a hotel and escape.

**SCHENECTADY, N. Y., July 5.—A white man propelling a wheelbarrow containing a colored man through the downtown streets early last night precipitated a race riot here.**

It was in payment of a bet as to the result of the Jeffries-Johnson fight.

Feeling high and before it subsided ten negroes had been badly handled. Several arrests were made.

**FORT WORTH, Tex., July 5.—Disturbances between whites and blacks broke out here following the announcement of Johnson's victory over Jeffries last night.**

The most serious was a mob of two negroes on a white woman, the latter being seriously hurt by blows on the head with beer bottles.

**RIOTING IN NEW YORK.**

One Negro Killed and Another Is Nearly Lynched.

NEW YORK, July 5.—Police are still keeping active patrol today in the "black belts" of New York to check any further sporadic acts of violence.

The outcome of the Jeffries-Johnson fight. The resentment caused by the defeat of Jeffries at the hands of a negro caused scores of street fights, negro hunts through the streets and petty outbreaks all through the night.

One negro was killed and another was killed early today. His assailant, escaping, while several badly bruised negroes are in hospitals recovering from injuries and fright.

The "black-and-tan" zone was the scene of the only riot killing reported. George Crawford, a negro waiter, had an altercation with an unknown white man over the question of who was to be the winner of the fight.

The white man ended the argument by striking Crawford over the head with a blunt instrument. The negro died later in the hospital.

Nelson Turner, a negro, was nearly lynched for yelling to a crowd of white men in the "San Juan" section. "We blacks got one over on you whites, and we're going to do more to you."

Then Turner drew a revolver, which missed fire, and in a trice the crowd was upon him, but the police say no further trouble is expected.

**RIOTS IN QUAKER CITY.**

Fights Numerous Between Whites and Blacks in Philadelphia.

PHILADELPHIA, Pa., July 5.—The announcement of Johnson's victory over Jeffries was followed by numerous clashes in this city between colored men

and crowds of white men and boys. In some cases the blacks exulting in the victory, and in others the whites were attacking the negroes.

White men were chasing a frightened negro on Chestnut street in the center of the city when another negro who was approaching from the opposite direction was knocked down by some one in the crowd. He arose dazed and with a broken nose. "That is what they call brotherly love," he said, as he staggered across the street.

Lombard street, the principal street in the negro section, went wild in celebrating the victory, and a number of fights in which razors were drawn resulted.

In the suburb of Germantown a crowd of negroes paraded the streets and there were several clashes with white men.

**MOB CHASES NEGROES.**

Attempt to Lynch Men Who Slashed Wilmington White Man.

WILMINGTON, Del., July 5.—A serious race riot occurred here last night as the result of an argument over the victory of Johnson, Mich. Brown, a white man, was attacked by a gang of negroes and severely injured about the head and with a razor. A mob of whites then chased the negroes several blocks. One of the negroes, Benjamin White, fled into a negro apartment house. The number of whites, which by this time numbered several thousand, bombarded the place with stones. The negro occupants also threw whatever they could find, injuring several whites in the mob.

The police responded to a riot call and finally stopped the outbreak. When the mob tried to break into the hotel and lynch him, he was finally landed in the police station. The injured numbered a dozen.

**FIGHT AMONG THEMSELVES.**

Pittsburg Negroes Thrash Colored Backers of White Man.

PITTSBURG, Pa., July 5.—It was not race rioting that called all available police to the negro section of this city's city last night, but a disturbance that broke out half an hour after the bulletin from Reno was announced. It was the fighting among negroes who, drunk with the wine of victory, flung rolls of money in the air and taunted those of their own race who had bet on the white man. So great was the crowd in the hill district, where 30,000 of the race live, that squads of police were sent into the district early in the day.

The police on the scene, fearful of trouble, sent in riot calls to clear a way for street cars. As fast as patrol wagons could travel, the police took offenders to the stations in the district and when these were filled others were brought to headquarters. No one was injured beyond bruised faces and cracked heads. Taxicabs filled with negro parties and trimmed with American flags were plentiful about the city.

**ARRESTS IN CHICAGO.**

Disorder But No Serious Rioting in the "Black Belt."

CHICAGO, Ill., July 5.—In the "black belt" on the South Side the streets were filled with men, women and children until daylight this morning. The noise that ensued a hundred different expressions of exultation were yelled, but the one distinguishable cry was "Oh, you Jack."

Later this was lengthened to "Oh, you Jack Johnson."

Withal the bedlam was good natured. White people passing through the mob were made brief for boisterous wit, but without malice. Scores of the negroes were arrested, but not for crimes. They probably will answer to disorderly conduct, but it will be for choking the streets and blocking street car traffic.

Women were as wild as the men in the excitement and children copied their elders.

Saloons of the district were without owners. Busses had joined the mob and bartenders were held to their po-

### NEGRO CONSTABLE KILLED.

Attempted to Arrest Colored Men Celebrating Johnson's Victory.

MOONSH, Ill., July 5.—One dead and one mortally wounded is the result of an attempt by four negroes to shoot up the town in honor of Jack Johnson's victory at Reno last night.

A negro constable was killed when he attempted to arrest them.

**IN JEFFRIES' HOME CITY.**

Eight Men in Hospitals as Result of Race Battles.

LOS ANGELES, Cal., July 5.—Riot calls were numerous in James J. Jeffries' home city yesterday. Flushed with small cash winnings, several negroes sallied forth and looked for trouble.

Eight men, three white and five colored, were treated at the receiving hospital.

**ROWS IN BALTIMORE.**

Seventy Negroes, Half of Them Women, Arrested.

BALTIMORE, Md., July 5.—Seventy negroes, half the number women, were arrested last night in the "black belt" of this city for disorderly celebration of Johnson's victory.

One negro was badly cut by another and two other negroes were assaulted and severely injured by whites in arguments over the big fight.

**THREE DEAD IN GEORGIA.**

Whites Attack Negroes Who Had Boasted of Johnson's Prowess.

UVALDE, Ga., July 5.—Three negroes were killed and many wounded in a clash with whites at a construction camp near this place yesterday.

The negroes at the camp have been insolent in their remarks about Jeffries for some time, and yesterday were boasting that Johnson would kill the white man.

True negroes were drinking, and their conduct so enraged the white people of Uvalde that a party was formed to clean out the camp. As they approached the camp the white men were met by volley after volley of shots from the negroes, but no one was wounded.

The white people immediately returned the fire, killing three negroes and wounding five others. The white editor of the Uvalde paper said the negroes fled from the camp into the woods, where they are being hunted by the whites.

Shots are being exchanged between the negroes and the pursuing whites, and late in the night the whites sent into town for more ammunition.

The feeling is very bitter and the whites say they intend to run the negroes out of the county. Conservative citizens have asked Gov. Brown to send troops to stop the rioting.

**BAD FEELING IN MACON.**

Race Clashes Numerous Between Whites and Blacks.

MACON, Ga., July 5.—The negroes here became so boisterous in celebrating the victory of Johnson over Jeffries that the authorities doubled the police force in order to prevent a clash of the races.

Several negroes have been beaten and scores of them arrested, but there has been no serious disturbance.

The negroes have angered the whites by insolent remarks about Jeffries.

**WHITE MAN FATALLY SHOT.**

Police Have Difficulty Restoring Order at Roanoke.

ROANOKE, Va., July 5.—Six negroes with broken heads, six white men locked up and one white man, Joe Chockley, with a bullet through his skull and probably fatally wounded is the net result of clashes here last night following the announcement that Jack Johnson had defeated Jim Jeffries. The trouble started when a negro, who had just heard the news from Reno, said:

"Now I guess the white folks will let

### SHOTS AT CHATTANOOGA.

Militiamen Attending Army Manuevers Fight With Negroes

CHATTANOOGA, Tenn., July 5.—Between blacks and whites were numerous last night following the result of the Johnson and Jeffries fight. A negro thrust a copy of a newspaper with news of Johnson's victory under the nose of a Mississippi militiaman, one of thousands of soldiers attending the army maneuvers. He knocked the negro down.

The black ran and a bystander fired at him, the bullet striking an automobile. Two women in the automobile had a narrow escape.

Arrests followed and the Mississippi men began forming for an attack on the city jail. This was broken up by the police.

Half an hour later on the same street J. T. Bullen, private of the 3d Mississippi Infantry, was seriously cut by a negro, who was saved from a mob by the police.

**SAILORS ATTACK NEGROES.**

Marines Ordered Ashore to Quell Riots in Norfolk.

NORFOLK, Va., July 5.—Jack Johnson, by defeating Jim Jeffries, was responsible for the worst race riots this city has experienced in many years.

Enlisted men from the various battalions at this station, aided by youths, attacked negroes all over the city, and last night many were in the hospital with broken heads and bruised bodies.

Three hundred sailors marched through the streets hunting for negroes. They beat a negro almost to death against the post office building and bloodstains were left on the stone work.

Practically every cell at police headquarters and the second district station are filled with negroes, sailors and young white men. Police Chief Kieser late last night requested Maj. L. W. T. Waller to send assistance, and a detachment of marines and sailors heavily armed were hurried to the city.

The situation was under control early this morning, but more trouble is feared.

Mr. Keville, civilian editor of the Virginian-Pilot had his collarbone broken by being struck with a brick thrown by a negro. Mr. Glennan is now at St. Vincent's Hospital.

**TWO NEGROES SHOT.**

White Men Accused of Starting Trouble in New Orleans.

NEW ORLEANS, La., July 5.—James Lee and Emile Thompson, two negroes, were shot and wounded last night. Two unknown white men here last night. According to the wounded men's story, the white men approached them with the declaration, "Johnson won, but we will get even with all negroes."

They thereupon began a volley of pistol shots. Lee was shot in the head and Thompson in the arm and side. Both, it was said at the hospital to which they were taken, probably will recover.

A negro who sent up the shout "Hurrah for Johnson" was seized by a number of youthful bystanders and severely beaten, but was finally rescued by policemen.

**BATTLE ON A TRAIN.**

Conductor Shot in Race Riot Over Prize Fight Result.

LITTLE ROCK, Ark., July 5.—Lee Roberts, an African mountain passed a conductor, was shot and wounded during a fight aboard his train between three white men and negroes late yesterday following the result of the Jeffries and Johnson fight at Reno.

Roberts was brought to Little Rock.

### FIGHT CASUALTIES HEAVY IN CAPITAL

(Continued from First Page.)

ously cheered the victory of Johnson along 4th street, but denied "cussing" with it. She woke up the neighborhood with a shout and a gasp two court precinct policemen, healthy fellows before they got her to a cell on charges of profanity and disorderly conduct.

"Not a bit in the way," but the officers say you were swearing," replied the court.

"Kathleen" to it," Josephine remarked. "She was sent to the workhouse for fifteen days in default of a five-dollar fine."

**Cheered for "Mistah Johnsoning."**

"Artie" Smith of O street alley went down for thirty days in default of a ten-dollar fine for standing at the mouth of the alley and yelling the name of the victorious pugilist until two policemen loaded him in a patrol wagon after he refused to curb his joy.

"He was shouting 'Johnsoning, Johnsoning, Mistah Johnsoning,'" said a bluecoat. "And insisted he had pugilistic aspirations himself."

"And I has," the prisoner interrupted. "The policemen told the court 'Artie' was full of bad whiskey and possibly cocaine, they said."

A charge of inciting a riot lodged against Wesley W. Ryan, a young white man, was dismissed by the court because it could not be shown that Ryan was an actual participant of the trouble that ended in his arrest. Sixth precinct policemen told the court a crowd of white men lay in wait for colored youths in the locality of 2d and B streets last night and deliberately started fights with them. Ryan was arrested in the midst of a wild scramble between a dozen white youths
